## Experience

### Software Developer Artarray, Pune, India

Jul 2022 – Jun 2023

- Collaborated with three cross-functional teams to develop and design web applications, leading to a 15% improvement in user satisfaction scores and a 25% reduction in post-launch issues.
- Identified and mitigated development process challenges, boosting efficiency and effectiveness. These solutions reduced development time by 20% and improved overall project success rates.
- Leveraged investigative reasoning to troubleshoot problems swiftly, ensuring optimal performance and reliability for deployed applications.

### Software Developer Intern Artarray, Pune, India

Feb 2020 – Jul 2022

- Led software solution implementations, ensuring a smooth transition from development to production environments.
- Played a pivotal role in enhancing user interfaces for optimal engagement, reflecting a holistic approach to software development.

### Freelance Web Developer

Mar 2020 – Feb 2022

- Provided web solutions for multiple companies (MyNexAlloys, Artarray, Studio 89, etc.), ranging from front-end design to full-stack implementations.
- Gained hands-on experience in React, WordPress, Angular, and social media marketing, laying the foundation for future roles—ultimately leading to the internship at Artarray.

### Webmaster (Intern) IEEE Bangalore Young Professionals

Nov 2020 – Sep 2023

- Developed the IEEE Bangalore Young Professionals website, including the flagship event site for the Young Professionals Global Summit 2020.
- Earned recognition at the summit in the presence of His Highness Yaduveer Wadiyar, Maharaja of Missouri.
- Secured this internship by winning the IEEE YP Online Website Contest.
